## TO OUR CCA FAMILY

As you are all aware, the continuation of your children's education is important to us, and we are making every effort to ensure your children's success. Although this wasn't an easy transition, with the dedication of our teachers, commitment of parents and hard work of all our students, we've maintained the curriculum and are on target to complete this school year as planned, whether or not we return to the classroom on May 4<sup>th</sup>. You have all done an amazing job despite the disruption to all aspects of our lives.

To our Senior Class, the completion of your 12+ years of education is unprecedented. This virus has impacted many senior class moments, and we all deeply feel your loss. Please know there will be a graduation ceremony for you, and you will be honored for all your years of hard work. Detailed information will be announced as we progress through the remainder of the 2019-2020 school year.

As we move forward, we will continue to update you with information as it becomes available to us. If you have any questions, please don't hesitate to contact us at 781-871-1043. We will continue to pray for you all. Trust in God. He knows all and has a plan. ***"I sought the Lord, and He heard me, And delivered me from all my fears."*** Psalm 34:4 ***"For He Himself has said," "I will never leave you nor forsake you."*** Hebrews 13:5 ***"Jesus Christ is the same yesterday, today, and forever."*** Hebrews 13:8.
